

AMERICA'S FUNNIEST FAMILY

the **Goldbergs**

In this family comedy set in the 1980s, Adam Goldberg chronicles the hilarious and awkward antics of his loving-yet-chaotic family. From his smothering but well-meaning mom and hot-tempered dad, to his rebellious older sister and overly emotional brother, he's got plenty to work with. Plus, there's Pops, a wild lothario of a grandfather who's Adam's mentor in the finer points of life. *The Goldbergs* reminds us of the time when the Internet was just a dream, the VCR ruled the world, and there was a power ballad for every occasion.
